

Payroll Software Developers Association Application Form

The Payroll Software Developers Association (PSDA) was established as a representative body for payroll software companies, employers and users which require representation to Revenue, ROS, Department of Social & Family Affairs, Department of Health and the Department of Finance.

The aims of the PSDA are to establish a channel of communications with all of the above departments for consultation on future developments.

You are invited to become a member of the Payroll Software Developers Association by completing the application form below.
